

## R-7 SCHOOL inspire+contribute+achieve

Dear Parents, Caregivers and Community Members,

Tomorrow sees the end of a very busy term indeed, for both students and staff alike. I would like to thank everyone for hanging in there and supporting one another, particularly as there has been so much illness to contend with.

**Early Finish** Remember that tomorrow is an early finish time as it is the last day of term. Students will need to be collected at 2.20pm. Please take care if travelling these holidays, relax and enjoy the next two weeks and we will see you all back for Term 3 beginning Tuesday July 23<sup>rd</sup>. We have a Student Free Day for the staff to add to their learning on the Monday.

**Nationally Consistent Collection of Data on School Students with Disability (NCCD)** All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education This data is used as the basis for national funding.

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions. If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact the Administration Office on 86458685. Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

**Building Removal** During the holidays we will have contractors on site to begin the demolition process for the block of portables near the gym. They will be removing the asbestos from Thursday July 11<sup>th</sup> – Monday July 15<sup>th</sup>. We ask that you don't enter the site during this time for your own safety.

As we will have less storage space as a result of this project we have some surplus furniture to give away. If you are interested in having a look and can pick it up before the weekend, please contact the Administration Office.

### NAIDOC Week Celebrations

This week our classes have been working on a range of activities to understand the significance of this event and to celebrate it. This will culminate with several classes joining the NAIDOC Week March on Friday morning. Thanks to our Ab Ed team and their helpers for coordinating the activities our children have engaged with over the week.

Thanks also to Jeanette Cowan, who put up the wonderful display of our children's work at the Middleback Arts Centre to showcase our learning and understanding of this event.

## QKR - Tips

Thanks to all the parents using the QKR system to order and pay for student lunches online.

You may order and pay in advance for lunch orders – please note that the cut off time for ordering on the day is 8.50am.

No orders can be processed after this cut off time.

We ask that you check the order date when you place an order online, as we have had a couple of instances when orders have been placed after the cut off time and the order goes to the next available date.

To register or for more tips you can also visit: <https://qkr.mastercard.com/store/#/home>

This new system will apply to lunch order items. All 'over the counter items' will still be paid for at the counter, with cash only.

**Remember the canteen is only open each Wednesday, Thursday and Friday.**

**Term 3 starts on Tuesday  
23rd July**

**Monday 22<sup>nd</sup> is a Student  
Free Day 😊**
