Congratulations to Holly Wilsdon, our Pastoral Care Worker, on the birth of Lovanna Grace.

Holly is now on leave and we welcome Jared Mullet to the NAPS staff. Jared is our interim Pastoral Care Worker and will be with us until Holly returns next year

Welcome

Hi! My name is Jared Mullet and I am the interim Pastoral Care Worker at Nicolson. ☺

A bit about myself: I like playing Frisbee (or any other sport!), guitar, and piano, and making homemade pizza on the weekends! I love learning about new cultures, and new languages. I speak Kriol, an indigenous language from the Northern Territory. I'm originally from Longmont, CO, USA. I have been married for 15 years, and have 4 children, who are 14, 12, 11, and 6. I love spending time with my family, especially as my kids grow up! ☺

As a PCW, I also represent the local Christian churches in Whyalla, and am the pastor of the Whyalla Alliance Church. At Nicolson, my focus is on helping the students, their parents/family, and the school community in finding purpose, value and hope. I love encouraging kids to do their best, to try new things, and having fun as we learn together. You will most likely see me walking around the school with students or classes, working with students in small groups or one-on-one to encourage them and help them reach their goals, as well as be a listening ear if they need to talk.

I will be at Nicolson every Wednesday afternoon and all day Thursday if you would like to meet me or have a chat! I hope to meet as many of you as I can, and I'm really looking forward to serving the community at Nicolson Primary School! My hope is to support the staff, students, and their families and to help the community at Nicolson to walk in hope and resilience. If you would like to contact me, my e-mail is: jcmullet@icloud.com

Kind Regards, Jared

Loose Part Play

The Junior Primary students have been enjoying imaginative play with a selection of 'loose parts'.

We are looking to collect more 'bits and pieces' for students to use and would be grateful for any donations of crates, cable reels, rope, wood off-cuts, plumbing pipe, wheels, tyres. If you have anything that you are willing to donate please contact the Admin Office before bringing it to school.
