

Tell Helen Postcard Campaign

Many of our students aged 8-12 years are directly supporting the important work of South Australia's Commissioner for Children and Young People, Helen Connolly as active participants of her 'Message to the Commissioner' (Tell Helen) Postcard Project.

The project is helping the Commissioner to gain a clearer understanding of what is important to students aged 8 - 12 years. She is asking this under-represented group of children and young people to respond to six simple questions including what they would do if they were the boss of South Australia. All responses are anonymous. No personal information is being collected. The Commissioner will use our Student's responses to inform her work to make South Australia a great place for children and young people.

Learn more about the 'Message to the Commissioner' (Tell Helen) Postcard Project at www.ccypsa.com.au/tellhelen

Anti-Poverty Can Collection

This week we gave the cans of food that we collected, to the Salvation Army.

They were very appreciative of the 391 cans donated by students from NAPS. Thank you to everyone who contributed and to the students who organised the Anti-Poverty Week activities.

D'faces presents two outstanding original works

The Incredible Book Eating Boy

Based on the book by Oliver Jeffers

The King of Nowhere

Friday 15th November 7:00pm
Saturday 16th November 1:30pm
\$5 tickets at the door

The poster features a green background with yellow line-art illustrations of books, crowns, a sword, a teddy bear, and other objects. The text is in white and black.
