

'End of Year Celebration'

When: Thursday Dec 5th at 6pm.

Our 'End of Year Celebration' is a chance to showcase our students' talents.

We are hoping you can join us.

The evening will consist of a variety of items from classes.

Students are to return to school at 5:30pm, wearing full school uniform or costume for their class item if this has been arranged by your child's classroom teacher. They will meet their teacher in their classroom.

Photos may be taken but are **NOT** to be shared on social media.

You are welcome to bring picnic blankets and fold up chairs and areas will be allocated to accommodate them. Maybe come early and bring a picnic tea.

Thank you to Craig and Jodie Stringer for their help with the sound and to the Middleback Arts Centre for the stage.

Art Exhibition

A few students are setting up an exhibition of art work produced by some of our talented visual artists at NAPS.

These works will be displayed in the 'old nest' from next Tuesday, 3rd December to Wednesday, 11th December.

If you would like to view it, the exhibition will be open for parents from 3.20pm to 3.45pm on Wednesday, 4th and Monday, 9th December.

Recently, a group of Year 7 students took part in a program called 'Moving Up' run by Headspace. The program explored feelings, goals and support for students as they transition to High School. A big 'thank you' to Courtney and Paige for facilitating the program.
