

Breakfast Matters

Students have had a fun week serving breakfast in their classes. It has been a great opportunity to invite parents, grandparents and other family members to visit classrooms, meet teachers and share a piece of toast. There has been a real 'buzz' in classrooms and corridors and our new staff have been able to meet some of our Nicolson families. Thank you to all who came and to the teachers, SSOs and students who helped to prepare the food.

Bread

Each week we have bread available for families. This is available on Tuesday mornings. If you drop your child at school in the morning and would like bread, please bring a bag and come to the Breakfast Room to collect what you need. Come anytime between 8.40am and 9.30am.

Thank you to the parents who come each week to help bag the bread to distribute to the classes. We are always looking for more helpers. As the saying goes 'many hands make light work' and it's a great time to chat and get to know others in our school community. If you are interested please speak to Cynthia Spangenberg (the Student Wellbeing Leader) or just come to the Breakfast Room at 9am on a Tuesday morning.
